

Annu H. Navani, M.D., Q.M.E.

Medical Director, Comprehensive Pain Management Center
Adjunct Clinical Assistant Professor, Stanford University School of Medicine
Ph: (408) 356-5292

Publications

- February 1998-* Jeong MC, **Navani A**, Oksenberg JR. Limited Allelic Polymorphisms in the Human IL-3 gene. *Molecular and Cellular Probes* 1998;12:1:49-53.
- September 2000-* Arain SR, **Navani A**, Ebert TJ. The effects of thiopental, generic and non-generic propofol on respiratory resistance during anesthetic induction in patients with reactive airways. *Journal of Clinical Anesthesia* 2002, 14(4):257-261.
- August 2001-* **Navani A**, Rusy LM, Jacobson RD, Weisman SJ. Treatment of tremor in complex regional pain syndrome. *Journal of Pain and Symptom Management* 2003, 25(4):386-390.
- September 2003-* **Navani A**, Kreis PG, Fishman SM. A case of pulsed radiofrequency lesioning for occipital neuralgia. *Pain Medicine* 2006, 7(5): 453-456.
- September 2003-* **Navani A**, Mahajan G, Kreis P, Fishman SM. The role of gadolinium in interventional pain management as an alternative to iodinated contrast agents.
- July 2004-* Smith H, **Navani A**, Fishman SM. Radiopharmaceuticals for palliation of painful osseous metastases. *American Journal of Hospice & Palliative Medicine* 2004, 21(4):303-313.
- September 2004-* **Navani A**, Dominguez CL, Fishman SM. Injections of the past that reveal themselves under fluoroscope today: fluoroscopic evidence of remote injections of radiopaque substances.
- October 2006-* **Navani A**, Mahajan G, Kreis P, Fishman SM. A case of pulsed radiofrequency lesioning for occipital neuralgia. *Pain Medicine* 2006, 7(5):453-457.
- March 2010-* **Navani A**. A letter to the editor for Current Treatments in the Management of Diabetic Peripheral Neuropathic Pain. *Pain Medicine News* 2010, 8(3):7.

Abstracts

- March 2000-* **Navani A**, Olund TM, Stowe DF. Unexpected apnea and asystole with propofol for sedation. Case report poster and slide presentation. Midwest Anesthesia Resident Conference. Chicago, Illinois.
- March 2001-* **Navani A**, Rusy LM, Jacobson RD, Weisman SJ. Treatment of tremor in complex regional pain syndrome. Midwest Anesthesia Resident Conference. Milwaukee, Wisconsin.
- March 2001-* **Navani A**, Nijhawan N. Intrathecal opioids for post cesarean section analgesia- Current status and future directions. Review study poster presentation. Midwest Anesthesia Resident Conference. Milwaukee, Wisconsin.
- October 2001-* Arain SR, **Navani A**, Ebert TJ. The effects of thiopental, generic and non-generic propofol on respiratory resistance during anesthetic induction in patients with reactive airways. American Society of Anesthesiologists annual meeting. New Orleans, Louisiana.
- December 2001-* **Navani A**, Cheng E. Ultrasound-guided central venous cannulation-poster, video and hands-on workshop. Postgraduate assembly (PGA55) meeting. New York, New York.
- October 2002-* **Navani A**, Cheng E. Ultrasound-guided central venous cannulation-poster, video and hands-on workshop. American Society of Anesthesiologists annual meeting. Orlando, Florida.
- April 2002-* **Navani A**, Cheng E. Ultrasound-guided central venous cannulation-poster, video and hands-on workshop. International Anesthesia Research Society. San Diego, California.
- October 2002-* **Navani A**, Cheng E. Ultrasound-guided central venous cannulation-poster, video and hands-on workshop. American Society of Anesthesiologists annual meeting. Orlando, Florida.
- February 2003-* **Navani A**, Dominguez CL, Fishman SM. Injections of the past that reveal themselves under fluoroscope today: fluoroscopic evidence of remote injections of radiopaque substances. American Academy of Pain Medicine, New Orleans, Louisiana.
- February 2003-* **Navani A**, Kreis PG, Fishman SM. A case of pulsed radiofrequency lesioning for occipital neuralgia. American Academy of Pain Medicine, New Orleans, Louisiana.

- February 2003-* **Navani A,** Mahajan G, Kreis P, Fishman SM. The role of gadolinium in interventional pain management as an alternative to iodinated contrast agents. American Academy of Pain Medicine, New Orleans, Louisiana.
- Spring 2003-* **Navani A.** The role of gadolinium in interventional pain management as an alternative to iodinated contrast agents. Pain Medicine Network report from American Academy of Pain Medicine meeting, New Orleans, Louisiana, February 2003.

Invited Presentations

- April 2010-* “Neuromodulation: Pearls and Pitfalls,” for Pain Management Center at Stanford University School of Medicine, Stanford, CA.
- October 2009-* “Shaping your future in Pain Medicine,” for U.C. Davis Division of Pain Management, Davis, CA.
- August 2009-* “Career Paths in Pain Management,” for Pain Management Center at Stanford University School of Medicine, Stanford, CA.
- August 2009-* “Current Trends in Management of Peripheral Neuropathic Pain,” for Santa Clara Valley Podiatric Medical Society, San Jose, CA.
- April 2009-* “Recent Advances in Management of Low Back Pain,” for California Academy of Family Physicians, Los Gatos, CA.
- March 2009-* “Updates in Pharmacological Management of Chronic Pain,” Grand Rounds at O’Connor Hospital, San Jose, CA. (CME)
- October 2008-* “Integration with Medical Providers – the Next Frontier of Integrated Disability Management,” Presentation and Panel discussion at DMEC, San Francisco, CA (scheduled).
- April 2008-* “Recent Advances in Management of Low Back Pain,” Presentation at Community Hospital of Los Gatos, Los Gatos, CA.
- January 2008-* “Diagnosis and Management of Low Back Pain,” Presentation at Alliance Occupational Medicine Seminar, Santa Clara, CA.
- October 2007-* “Careers in Pain Management,” Presentation at Division of Pain, UC Davis Medical center, Sacramento, CA.
- June 2007-* “Complex Regional Pain Syndrome,” Presentation at Professionals in Workers' Compensation, Fresno, CA.

- September 2005-* “Chronic low back pain- The irritable lumbar spine,” Grand Rounds at O’Connor Hospital, San Jose, CA. (CME)
- September 2005-* “Headache: Update and Case Presentation,” Dinner Presentation, Walnut Creek, CA.
- August 2005-* “Pain Awareness and Management in Women,” Podium presentation at launch of Indo-American Women Empowered (IWE), Fremont, CA.
- May 2005-* “Recognition and Management of Complex Regional Pain Syndrome,” Grand Rounds at Good Samaritan Hospital, San Jose, CA. (CME)
- June 2005-* “Recognition and Management of Complex Regional Pain Syndrome,” Grand Rounds at San Jose Regional Medical Center, San Jose, CA. (CME)
- April 2005-* “Career opportunities in Pain Management,” Division of Pain, Department of Anesthesia, University of California at Davis Medical Center, Sacramento, CA
- October 2004-* Acute post operative pain management in Orthopedic patients for “Advances in orthopedics” seminar, Department of Orthopedics, Los Gatos Community Hospital, Los Gatos, CA. (CEU)
- April 2004-* The irritable lumbar spine. Grand Rounds, Department of Anesthesiology, Stanford University School of Medicine, Stanford, CA. (CME)
- February 2004-* Low back pain: Updates in Pain management, Dinner presentation for American Association of Physicians of Indian Origin, Milpitas, CA. (CME)
- February 2003-* The role of gadolinium in interventional pain management as an alternative to iodinated contrast agents. Poster abstract and oral presentation at American Academy of Pain Medicine, New Orleans.
- February 2003-* A case of pulsed radiofrequency lesioning for occipital neuralgia. Poster abstract presentation at American Academy of Pain Medicine, New Orleans.
- February 2003-* Injections of the past that reveal themselves under fluoroscope today: fluoroscopic evidence of remote injections of radiopaque substances. Poster abstract presentation at American Academy of Pain Medicine, New Orleans.

- February 2003-* Ultrasound-guided nerve blocks. Slide presentation at American Academy of Pain Medicine, New Orleans.
- December 2002-* Updates in interventional pain management. Educational lecture series, Division of Pain Management, Department of Anesthesiology, Stanford University School of Medicine, Stanford, CA.
- December 2002-* Ultrasound-guided central venous cannulation- poster, video and hands-on workshop. Postgraduate assembly (PGA55) meeting. New York, New York.
- October 2002-* Ultrasound-guided central venous cannulation- poster, video and hands-on workshop. American Society of Anesthesiologists annual meeting, Orlando, Florida.
- April 2002-* Ultrasound-guided central venous cannulation- poster, video and hands-on workshop. International Anesthesia Research Society, San Diego, California
- October 2001-* The effects of thiopental, generic and non-generic propofol on respiratory resistance during anesthetic induction in patients with reactive airways. Clinical research poster presentation. American Society of Anesthesiologists annual meeting, New Orleans, Louisiana.
- March 2001-* Treatment of tremor in complex regional pain syndrome. Case report poster and slide presentation. Midwest Anesthesia Resident Conference, Milwaukee, Wisconsin.
- March 2001-* Intrathecal opioids for post cesarean section analgesia- Current status and future directions. Review study poster presentation. Midwest Anesthesia Resident Conference, Milwaukee, Wisconsin.
- March 2000-* Unexpected apnea and asystole with propofol for sedation. Case report poster and slide presentation. Midwest Anesthesia Resident Conference, Chicago, Illinois.
- January 1998-
December 2001* Presentation and discussion on keyword topics on a rotating weekly basis. Medical College of Wisconsin, Milwaukee, Wisconsin.
